

# Lantern Ideas

<http://www.sunhatsandwellieboots.com/2015/05/elmer-elephant-lantern-made-from-milk.html>

<http://keeveneo.com/tag/lantern/> - a minion lantern to make - when finished you can put an LED tea light or glow stick inside...

<http://www.candlepowerforums.com/vb/showthread.php?394197-Flashlight-water-bottle-lantern> or try this and decorate the milk carton on the outside with pens, paint or tissue paper...

<http://www.craft-craft.net/recycling-plastic-bottles-pop-bottle-craft.html>

<http://boulderfamilies.com/diy-projects-activities/diy-creative-paper-lanterns-to-make-with-your-kids/>

These are just a few suggestions - why not post an image of your lantern on our facebook page and inspire others...

We'll post a few more ideas to get you going over the next couple of weeks.

But please use LED lights, torches or glowsticks rather than candles or tea lights to ensure all your lanterns are fire safe.
